

valetudo

Dermocosmetic brands find their HUB of excellence at Valetudo.

We prioritise skin health by controlling every step of the process, from raw materials to end products, giving private labels a complete service while showcasing our full potential through our proprietary brands.

Quality

Valetudo has operated on the tenet of quality for more than 40 years. The history of our business, our emphasis on the product, and the fact that we are formulators all support it. Valetudo prioritizes quality, selects raw materials with care, and ensures dependability and safety.

Evolution

Valetudo is ready to evolve, pursue new opportunities, and return value to its network, people and consumers. With its sights set on the future, Valetudo remains open to all possibilities.

Trust

Valetudo's technical expertise and promise to customers are bound by the unbreakable thread of trust. Anyone who chooses Valetudo does so because they put a great deal of trust in its services, products and expertise as well as in their rapport with the company.

WE CARE FOR

Valetudo wants to become a major, multitarget reference for the Italian dermocosmetic product segment.

Brands, industry stakeholders, B2B companies and end users of our dermocosmetics can rely on us for quality and dependability.

Valetudo is ushering a new "laboratory" concept through a broader and more comprehensive vision of the services it offers as both a contract manufacturer and brand owner. Valetudo = **Dermocosmetic HUB.**
